OFFICE OF LEGISLATIVE COUNSEL

Friday - 15 December 1978

1. (Unclassified - MG) LIAISON Received a call from Duane Barnes, Library of Congress, who wanted to know the status of his previous request for a wall chart. I told him that since the document is six years old, we only have it on film and it will take a few more days to have it blown up and printed.
2. (Unclassified - MG) LIAISON Received a call from Sue Anne, in the office of Representative Danforth Quayle (R., Ind.), who requested wall-size maps of the Middle East. I told her I would forward them next week.
3. (Unclassified - MG) LIAISON Per her earlier request, sent to Tania Demchuk, in the office of Representative Richard Kelly (R., Fla.), the "People's Republic of China Atlas" and "China City Briefs" on Canton, Peking, and Shang-hai.
4. (Unclassified - MG) CONSTITUENT Per her request of yesterday on behalf of a constituent, sent to Lynn Thomas, in the office of Senator John C. Culver (D., Iowa), some general information about the CIA.
5. (Unclassified - MG) LIAISON Per her request of 12 December, sent to Kaki Bertelsen, in the office of Representative Paul N. McCloskey (R., Calif.), two copies of "Chiefs of State and Cabinet Members of Foreign Governments" and two wall-size maps of Southeast Asia.
6. (Unclassified - DFM) LIAISON Called Bob Maynes, in the office of Senator Dennis DeConcini (D., Ariz.), and set next week's briefing on SALT verification in S-407 of the Capitol. In addition, I told Maynes we were attempting to conserve the time and energy of our principal SALT briefer and would like to invite Senator John Durkin (D., N.H.) to attend the same briefing. Maynes said he was sure Senator DeConcini would have no problem with this.
